## Inclusive Growth *bulletin*

June/July 2010 - Number 6

### Message from the Director

The current release of IPC-IG publications can be seen as focusing on **resilience**. In the **post-crisis context**, resilience to exogenous shocks has become the focus of attention, as countries find their progress towards the MDGs and other development goals impacted by these shocks. [More...](#)

### New Publications

#### 1) Social Policy in the post-crisis context of Small Island Developing States: A Synthesis
